### ATHENS CITY

#### Athens Walking City Tour

**What's included**

The tour begins in front of the Parliament in Syntagma Square where you will see the Monument of the Unknown Soldier and the change of the famous Guards. A pleasant walk will follow through the National Garden and on to the Zappeion Hall, the Temple of Olympian Zeus and the Hadrian's Arch. From here you will enter the Plaka area heading to the Acropolis and visit with your guide the Propylaea, the Temple of Nike, and the Parthenon, the monuments that remind us of Glory of Ancient Athens and the Golden Age of Pericles. See also in the surrounding the Athenian Agora, the Observatory, the Hill of Democracy (Pnyx), Mars and Philopappos Hill, the Odeon of Herodes Atticus, and the Theater of Dionysus. At the end of the tour, and since you are so close, do not miss the opportunity to visit on your own the New Acropolis Museum. #### Athens Sightseeing

*The Acropolis and the new Acropolis Museum*

This tour gives you an opportunity to observe the striking contrasts that make Athens such a fascinating city.

Our expert guides will take you to see the Panathenaic Stadium where the first Olympic Games of modern times were held in 1896 (short stop).

Continue and pass by the Prime Minister's residence (ex Royal Palace) guarded by the Euzones in their colorful uniform, the Temple of Olympian Zeus, the Hadrian's Arch, the Parliament and the memorial to the Unknown Soldier, the Academy, the University, the National Library, the Constitution Square (Syntagma).

On the Acropolis visit the Architectural Masterpieces of the Golden Age of Athens: The Propylaea, the Temple of Athena Nike, the Erechtheion and finally "the harmony between material and spirit", the monument that "puts order in the mind", the Parthenon.

Continue and visit the place where at last the statues found their home and admire the wonders of the classical era: The new Acropolis museum. [contact us now atu@apostolos-tours.com](mailto:atu@apostolos-tours.com)

#### Cape Sounion

What's included

Drive along the coastal road, passing the wonderful beaches of Glyfada, Vouliagmeni & Varkiza to the most Southern point of Attica, Cape Sounion, where the white marble pillars of the Temple of Poseidon stand.

On the way, you have a splendid view of the Saronic Gulf and the little islands offshore.

After visiting the Temple of Poseidon, you have time to walk at leisure on the rocky promontory of Sounion.

#### A Night Out

What's included

Your evening begins with a short panoramic drive through the city center and on the slopes of the sacred hill you will be able to see, admire and take photos of the illuminated Acropolis. Then a pleasant walk through the narrow picturesque streets of Plaka, the old city, will bring you at a Typical Greek Tavern where you will enjoy your dinner following a floor show with live music and Greek Folk Dances in traditional costumes. [contact us now atu@apostolos-tours.com](mailto:atu@apostolos-tours.com)

#### Ancient Corinth Half Day

What's included

Leave Athens and drive South West until we reach the Corinth Canal which connects the Aegean Sea with the Ionian Sea (short stop). Drive on and visit the ancient town of Corinth where St. Paul lived and preached for two years.

The remains of the City, which include the Agora (market place) and Apollo's Temple (6th century B.C.) clearly show how rich and important Corinth was in Ancient Times.

A short stop at the Site of the Ancient Port of Cehries, where St. Paul disembarked, will conclude the visit.

Return to Athens in time for lunch. [contact us now atu@apostolos-tours.com](mailto:atu@apostolos-tours.com)
